ORDER

On April 12, 2006, Kentucky-American Water Company ("Kentucky-American") notified the Commission of a proposed revision in its tariff regarding the Kentucky River Authority ("KRA") withdrawal fee. Kentucky-American proposed to place the revised fee into effect on May 3, 2006. Kentucky-American's notice fails to comply with KRS 278.180(1), which requires a utility to provide the Commission with 30 days prior notice of any rate revision.

Having reviewed the proposed revision and finding that, pursuant to KRS 278.190, additional proceedings are necessary to determine the reasonableness and lawfulness of the proposed revision, IT IS HEREBY ORDERED that:

1. This proceeding is established to investigate the reasonableness and lawfulness of Kentucky-American's proposed tariff revision.
2. Kentucky-American shall not implement the proposed revision until providing the appropriate notice to the Commission that KRS 278.180(1) requires.
3. All documents that the Commission requires to be filed with the Commission shall be served upon all other parties.

4. Service of any document or pleading shall be made in accordance with Administrative Regulation 807 KAR 5:001, Section 3(7), and Kentucky Civil Rule 5.02.

5. Within 20 days of the date of this Order, Kentucky-American shall file with the Commission the original and 5 copies of the information listed in Appendix A to this Order.

6. When complying with the provisions of Ordering Paragraph 5, Kentucky-American shall:

a. Place each copy of the requested information in a bound volume with each item tabbed.

b. Appropriately index each sheet if multiple sheets are required for an item (for example, Item 1(a), Sheet 2 of 6).

c. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided.
